

Friends of Rose Hill Station Win Again at 2025 Cheshire Best Kept Station Awards Evening

Our Chair, Rachel Singer, was pleased to accept the TfGM award totem on behalf of the Friends of Rose Hill Station for Most Welcoming Station at the recent awards evening in Crewe.

She went on to give her warm thanks to the Cheshire Best Kept Stations group. We are heartened to have been awarded and to know that our efforts are noticed and appreciated. This encouragement means a great deal to our group. She also recognised the presence and support from Northern Ticket Office staff in gaining the award.

We should also congratulate the Friends of Romiley Station for the top award of Best Station award as well as Marple Station for the Best Staffed Station.

As always, these awards are down to volunteers giving their time to improve and maintain their stations for rail passengers. Please let us know if you would like to join us.

MORE HELP ALWAYS REQUIRED!
