

An invitation to greet and meet Santa as he arrives by Train on Monday 9th December 2024 at Rose Hill Station

Our event will start at around **3.30 pm** in preparation for Santa arriving on the train around **3.53 pm** where he will be met on the station platform by the Mayor of Stockport and then move on to his grotto in the car park to meet the children and give out goody bags.

We regret that access to the platform will be restricted to the Welcoming Party and train passengers only.

Goody bags are courtesy of Northern Trains and Friends of Rose Hill Station as are mince pies and hot drinks which will also be available to all who are passing through the station. There is no charge for this event but donations welcome.

More helpers to set up and generally help out would also be much appreciated – Email forhs142@gmail.com
